

Get a jump on the trial season and save with pre-paid runs!

**Be one of a lucky few to save almost \$100 on a block of 20 runs.
(That's a LOT of toys...)**

Everybody knows it's tough out there, but there's a way to ensure your agility dollars go further. Pre-pay now and save almost \$5.00 per run! That's right: just \$14.75 per run if you order now. No kidding, folks:

\$380 worth of runs for just \$295.

There's no limit to the number of pre-paid runs you can buy, but the total number of runs available at this price is very limited, so don't wait. The offer expires once this limit is reached or on February 1, 2013, whichever comes first. (Last year, the limit was reached within a few days, and this year **ONLY HALF AS MANY PRE-PAID RUNS WILL BE AVAILABLE!** Don't wait or you'll miss out.)

Pre-paid runs are interchangeable, guarantee entry and can be used for any classes at any of Spot On's six AAC trials in 2013. They're not refundable but they are transferable, so you can give or sell them to a friend if you're unable to use them for any reason. You can even use one to pay for a rental (a \$20 value) or two to pay for a fun match.

Regionals warm-up trials are scheduled a week before each of the two Regional events, and will feature two each of gamblers, jumpers and standard, plus a couple of other classes. Every other trial will include two Steeplechase classes plus three Standard classes and at least one each of Gamblers, Jumpers and Snooker at each level. That means that every dog, no matter what level they're at, will be eligible for at least four classes per day.
